UTILISATION DU MÉLANGEUR À MAIN

Avant d'utiliser votre mélangeur pour la première fois, lavez les fouets dans de l'eau chaude savonneuse ou au lave-vaisselle. Rincez-les et séchez-les bien.

Assurez-vous que le régulateur de vitesse est en position hors tension (« OFF »ou « 0 ») et que le cordon du mélangeur est débranché de la prise murale. Insérez les les fouets, un à la fois, en introduisant l'embout de la tige dans l'orifice d'entraînement situé sur le dessous du mélangeur. Tournez légèrement la tige et enfoncez-la jusqu'à ce que vous entendiez un déclic. Les les fouets sont interchangeables.

COMMENT PREEPARER DES MÉLANGES

Mettez le mélangeur à main sous tension et reportez-vous au guide de vitesses pour choisir le réglage approprié. Guidez le mélangeur lentement le long de la paroi du bol et à travers le centre du mélange, en allant toujours dans le même sens. Faites attention à ne pas battre le mélange trop longtemps. Sinon, le mélange risque de durcir.

Chaque fois que vous nettoyez la paroi et le fond du bol à l'aide d'une spatule en caoutchouc, éteignez d'abord le mélangeur en plaçant le régulateur de vitesse à la position hors tension (« OFF » ou « 0 »). Pour ajouter des ingrédients, mettez le mélangeur également hors tension et déposez-le sur son talon d'appui. Assurez-vous que les les fouets se trouvent au-dessus du bol de sorte que les gouttes du mélange puissent y tomber.

Lorsque la consistance du mélange est satisfaisante, mettez le régulateur de vitesse à la position « 1 ». Soulevez lentement les les fouets et enlevez-en le mélange qui y colle. Assurez-vous de régler la vitesse à « 0 » avant de sortir les les fouets entièrement du bol.

EJECTION DES FOUETS

Assurez-vous que le régulateur de vitesse est en position hors tension (« OFF »ou « 0 ») et que le cordon du mélangeur est débranché de la prise murale. Enlevez les résidus du mélange à l'aide d'une spatule en caoutchouc. Saisissez les tiges des les fouets avec la main et appuyez sur le touche d'éjection des les fouets. Les les fouets se dégagent dans votre main.
